

Edible Flowers

Farm 360 edible flower blends are a beautiful, cut to order mixture of a dozen red and yellow Marigolds and multi-colored Pansies sitting atop over one hundred vividly purple Violets. These blends are available in a wide variety of color assortments and flower sizes depending on the customers desires.

Available Varieties

- Viola
 - Giant Pansy
 - King Henry
 - Jump-up Johnny
- Marigold
 - Red Gem
 - Durango
 - Outback Mix

These blends are the perfect garnish for any meal, salad, dessert or cocktail! The flowers themselves do not have a distinct flavor, but provide incredible color and beauty. Try these frozen, candied, baked, or made into syrup for extended use. All of Farm 360's products are grown using sustainable farming methods and are available year-round!
