

Upland Cress

Upland Cress is a peppery, spicy green that provides over 18 different vitamins and nutrients! Order this as a living product or get it fresh cut!

Highlighted Features

- Sustainably Grown
- Available Year-Round
- Pesticide-Free
- Local

With the roots still attached, living upland cress remains fresh and ready-to-use. Simply cut, wash, and add this nutrient-dense green to soups, salads, or sandwiches for a zesty flavor.
